70860 - Fixed Aluminum Bolt-on Window

This heavy marine fixed watertight aluminum window is available in custom shapes and sizes. This window has a bolt-on style frame and a 1/2" or 1" spigot that projects through the bulkhead opening. It will suit a glass thickness of 10-19mm. ABS type approved.

Pictured window has a clear anodized finish frame with radius corners. Other finishes are available.

Tempered glass shown has a grey tint. Other tints or clear glass options are available. Also heated glass is an available option.
